

## About Us

Dancers Studio offers age-appropriate classes from toddler to teen in a non-competitive environment and provides a staff of talented teachers with different strengths in a variety of dance styles. Full-length production shows are produced every other year and a technical showcase on alternate years. Other performance-based opportunities are available for all student participation, such as seasonal Halloween and Christmas shows. For the more dedicated dancer, summer intensive programs are available, as well as creativity-fueled dance camps for our younger students.

*"We would love the opportunity to introduce the world of dance to your child in a loving, nurturing atmosphere. Come be part of our family and enjoy dancing at Riverside's happiest place to dance!"*

*-Miss Jennifer*
